RoHS2 / REACH Compliance

To Whom It May Concern:

This is to certify that the following Adafruit products are RoHS2 and REACH compliant and maintain their compliant status under EU RoHS2 directives 2011/65/EU and REACH Directives EC Regulation No. 1907/2006.

Product ID: P4474 USB Type A to Type C Cable - approx 1 meter / 3 ft long   https://www.adafruit.com/products/4474

Per EU RoHS2 Directives, these products do not exceed a maximum concentration value of 0.1% by weight in homogeneous materials of Lead, Hexavalent Chromium, Mercury, Polybrominated Biphenyl (PBB) and Polybrominated Diphenyl ethers (PBDE) or 0.01% weight in homogenous Cadmium.

Products are REACH Compliant per the current listing of Substances of Very High Concern.

RoHS compliant information supplied by adafruit is based solely on information provided to adafruit by the manufacturer. adafruit is not responsible for the accuracy of this information.

Thank you,
